

EDUSOFT HEALTHCARE PRIVATE LIMITED

COMPANY PROFILE

“Quality Care from Professionals you Trust”

CEO & CO-FOUNDER: SHAMMI GUPTA

CEO STATEMENT

Edusoft is proud to have customers (including governments) and channel partners who utilizes and promote our high-quality healthcare products.

At Edusoft, we have built a reputation for providing high-quality healthcare products at affordable prices. We have earned the trust and respect of customers for one simple reason—we have great people. They are expert in their fields. Everything they do is based on a strong service ethos. They take delight in their work & take responsibility for it.

I feel proud of my Edusoft team for their dedication to making it a truly 'Made In India' global company.

Shammi Gupta

CEO

ABOUT COMAPNY

Empowering healthcare professionals to provide exceptional care for the most vulnerable in the community

Edusoft Healthcare is a leading Indian company established in 2011, offering affordable and innovative healthcare products. Our products include x-ray machines, radiography equipment, medical films, and OT products. Edusoft Healthcare aims to integrate cutting-edge technology with Make In India products to meet their customers' needs. We have over 20 years of experience in healthcare business leadership and strive to make Edusoft Healthcare one of the most trusted medical companies in India.

WHY CHOOSE OUR COMPANY

Partnership

We value our partnerships with industry leaders and are committed to working together to achieve our common goal of improving healthcare outcomes.

Empowerment

Edusoft is dedicated to empowering healthcare professionals to deliver exceptional care to their patients.

Continuous Learning

We are committed to continuously learning and seeking new ways to improve the healthcare industry.

Innovation

We are dedicated to providing cutting-edge technology and solutions to enhance the quality of patient care.

Integrity

At Edusoft, our top priority is ensuring patient safety and well-being while upholding the highest ethical standards.

Excellence

We strive for excellence in everything we do and are committed to providing exceptional service and support to our customers.

OUR SERVICES

Medical Imaging Services

We specialize in imaging services – Mobile X-Ray, Fixed X-Ray, Digital & Computed Radiography, and Laser Printing. Our precise diagnostics cater to a variety of medical conditions.

Warranty, AMC & CMC

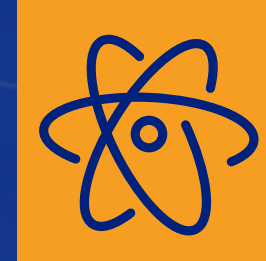

We offer free on-site/off-site services during warranty and flexible Maintenance Contracts for ongoing equipment care, including check-ups, cleaning, part replacements, and software updates.

OUR SERVICES

Training and Education

We offer concise training programs to keep healthcare professionals updated and enhance their skills with the latest equipment.

Digital Solutions

We offer a range of digital solutions such as PACS and RIS to improve the efficiency of healthcare delivery and support the management of medical images and data.

OUR SERVICES

Financing Solutions

We provide NBFC-backed financing for healthcare providers, offering 0% interest and flexible long-term payment plans.

Remote/Online Service & Support

We offer remote/online service & support through our expert technical team to keep your equipment up and running, and reduce downtime.

OUR COMPANY VISION & MISSION

VISION

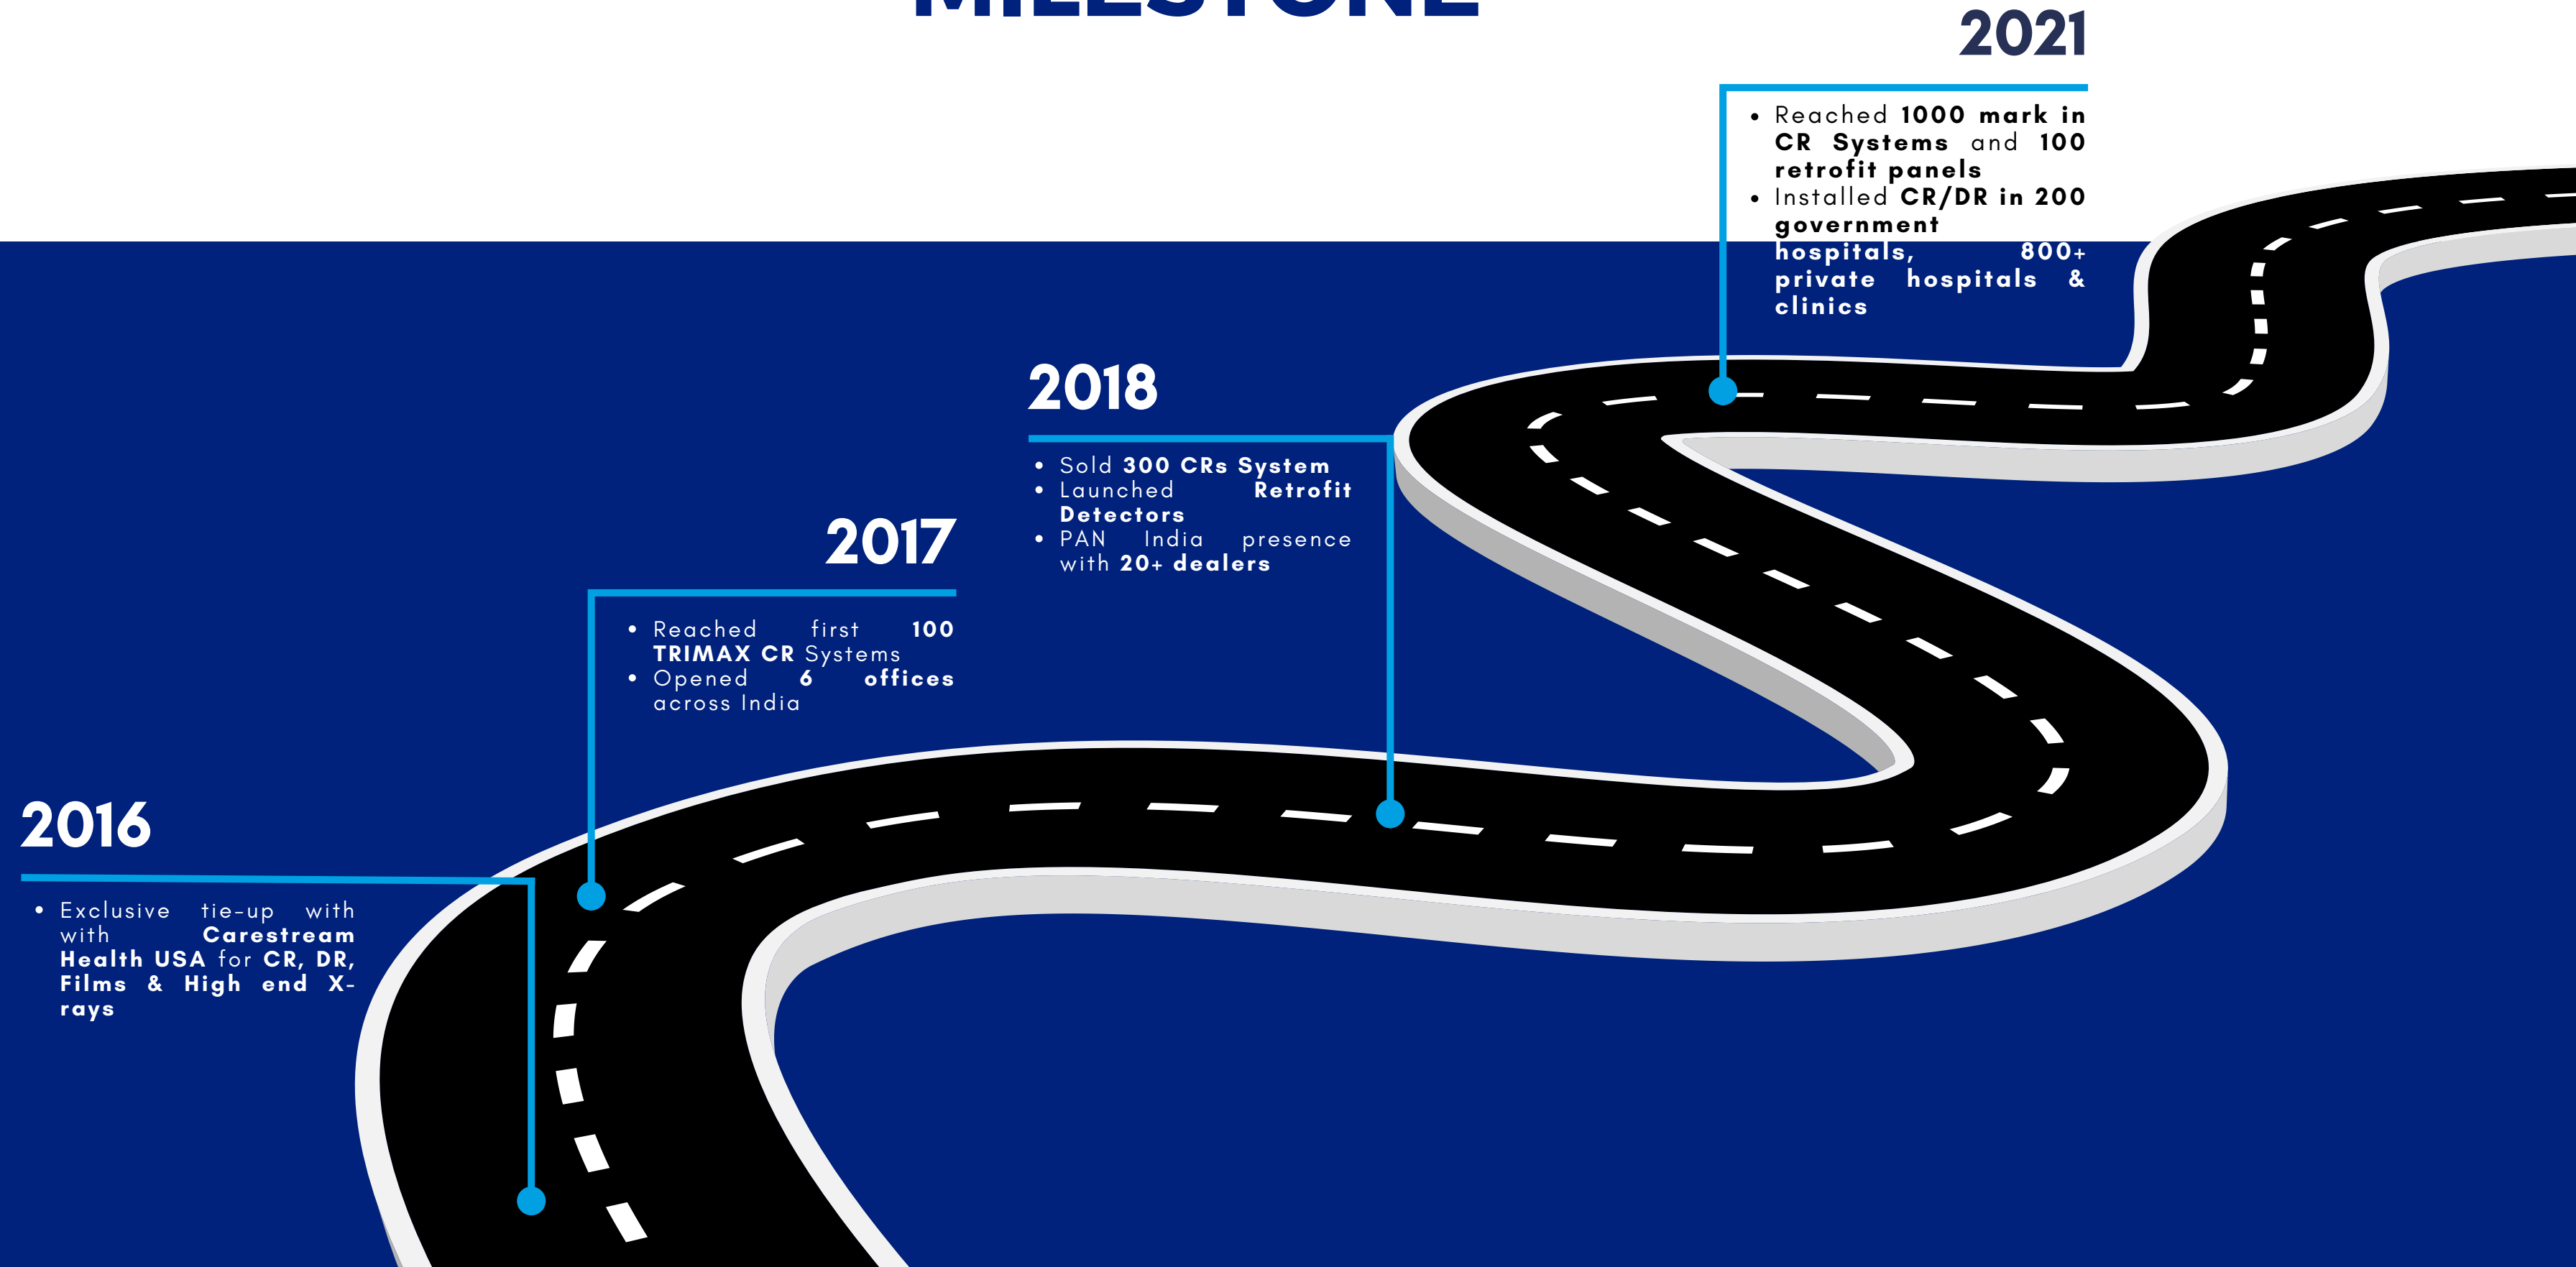

To redefine global healthcare by delivering cutting-edge, affordable, and sustainable medical imaging solutions that empower healthcare providers and elevate patient care, extending our impact across India and international markets.

MISSION

To innovate, manufacture, and deliver high-quality, advanced radiology and medical imaging equipment tailored to the diverse needs of healthcare professionals. With a commitment to excellence, ethical practices, and patient-centric solutions, we strive to bridge healthcare gaps globally, ensuring access to premium technology for improved health outcomes.

MILESTONE

MILESTONE

2022

- Started Manufacturing of X-ray Mobile & Fixed Installed first **50 X-Ray machines**
- Sold 1500 CR & 150 Flat Panels
- PAN India presence with **40+ Dealers**

2023

- Launched high end **50kw Mobile Digital system** and **80kW Ceiling Suspended X-Ray Machine.**
- Plan to reach **2500 CR, 250 Flat Panels, 400 X-Ray Equipment, 500 Government installations**

2024

- Launched **Digital C-Arm, Portable X-Ray: 2kW, Ultra Portable X-Ray (Palm Size)**
- Installed **150 equipments** in government institutions and hospitals

OUR PRODUCTS

www.edusofthealth.com

ERAY HF DIGITAL MOBILE X-RAY - 4/5/6/7 kW

The HF Mobile Digital X-Ray Machine revolutionizes radiology by providing portable, eco-friendly units with easy-to-transport wheels, replacing the traditional bulky counterparts.

INTEGRATED DIGITAL MOBILE X-RAY - 6/7 kW

The HF Mobile Digital X-Ray Machine revolutionizes radiology by providing portable, eco-friendly units with easy-to-transport wheels, replacing the traditional bulky counterparts.

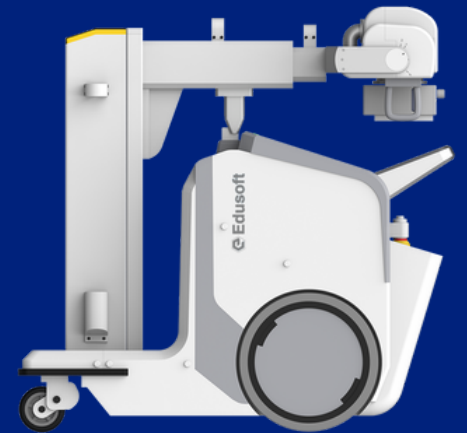

20kW/32kW/40kW DIGITAL MOBILE X-RAY

Experience the reliability and performance of our 40kW Digital Mobile X-Ray machine, offering advanced features, exceptional image quality, user-friendly operation, and portability for efficient diagnostic imaging.

MOTORIZED 50 kW DIGITAL MOBILE X-RAY

Discover the ERAY SMART 50T—a portable digital radiography system for efficient bedside imaging. Lightweight, user-friendly, and motorized for accuracy, it ensures high-quality imaging in complex environments, prioritizing patient comfort and precise diagnoses.

OUR PRODUCTS

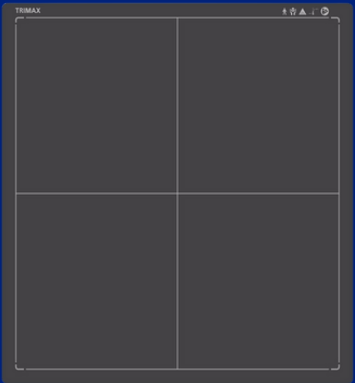

HANDHELD (PORTABLE) X-RAY

The Portable Handheld X-Ray weighs 3.9 kg, making it easy to transport. Its portable design enables faster imaging and effortless mounting on a support stand. The lightweight lithium polymer battery can capture up to 100 images on a single charge, allowing operation without electricity in specific conditions. This versatile device can be used for detecting TB, in NICUs, disaster sites, home care, etc., as it delivers 12 times less dose.

OUR PRODUCTS

PORTABLE X-RAY - 2kW

The Portable X-Ray 2kW boasts an exceptionally compact and lightweight design, along with intuitive operation and an internal battery power supply. These features make it the perfect portable solution for a wide range of examination scenarios, making it an ideal choice for Human & Veterinary X-Ray Applications.

ULTRA-PORTABLE X-RAY

Meet our revolutionary 1kg handheld X-ray machine—compact, powerful, and easily operated with just one hand. With up to 200 exposures per charge, its high-capacity lithium battery ensures a long life. This advanced device supports wireless communication and exposure, providing unmatched convenience and flexibility in medical settings.

www.edusofthealth.com

HF DIGITAL FIXED X-RAY - 10~50 kW (Eco Range)

Revolutionize radiology with our HF Mobile Digital X-Ray Machine, featuring portable units with easy-to-transport wheels, eliminating the need for tall, bulky equipment and promoting an eco-friendly system.

INTEGRATED ECO DR X-RAY - 10~80 kW

Streamline your radiography department with ERAY Digital Fixed X-Ray Machines, offering an intuitive touch tablet PC for seamless workflow, clinical excellence to meet your needs, and improved patient experience and economic viability for your company.

OUR PRODUCTS

www.edusofthealth.com

CEILING FREE X-RAY SOLUTIONS 50/65/80 kW

Introducing ERAY CF Auto Premium, a revolutionary floor-mounted DR system that leverages Edusoft's innovative technology for precision in diverse clinical applications. Crafted as a precision instrument, it meets modern healthcare challenges, excelling in both intricate diagnostics and routine imaging tasks. Pioneering accessibility, it makes cutting-edge medical imaging available without compromising professional quality standards. Designed with future needs in mind, ERAY CF Auto Premium ensures reliability, offering healthcare providers a trustworthy and future-ready investment.

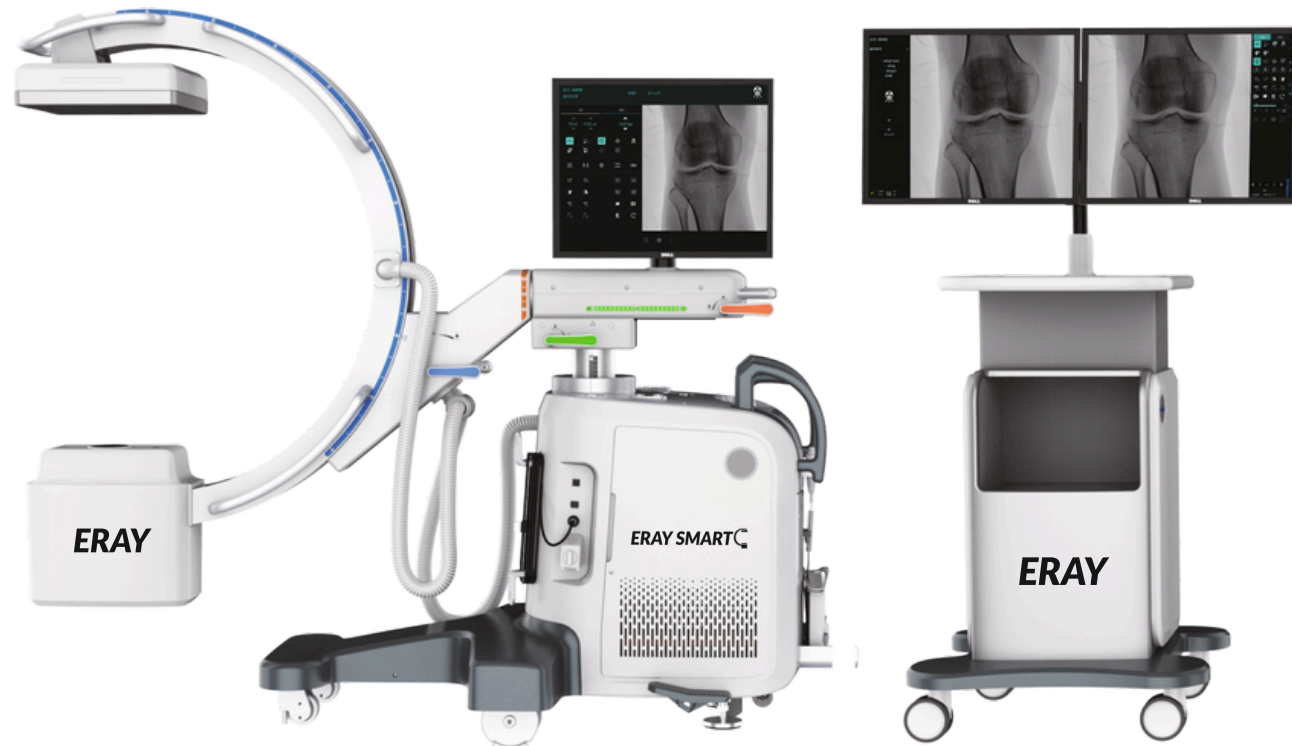

CEILING SUSPENDED X-RAY SOLUTIONS 50/65/80 kW

Elevate diagnostic excellence with our cutting-edge Ceiling Suspended Digital Radiography System, meticulously designed for a smooth and efficient experience. Engineered for unparalleled performance, this system features advanced functions and intelligent controls to enhance patient care. Committed to comprehensive improvement, Edusoft ensures your comfort and satisfaction in every detail, setting new standards in diagnostic excellence.

FLAT PANEL BASED DIGITAL MOBILE C-ARM: 5KW

FLAT PANEL BASED DIGITAL MOBILE C-ARM comes with latest digital technology in the entire imaging chain that delivers excellent images and helps you see more details in surgery. It is the good choice for orthopedic surgery, pain management procedure, general surgery, urinary surgery, etc.

DIGITAL MOBILE C-ARM: 5KW

Experience exceptional image clarity and detail with the ERAY SMART 5C, delivering enhanced imaging at a minimal dose for effortless and effective diagnostics. Equipped with a high-performance 17x17 inch wide flat panel detector, it effortlessly captures both static and dynamic images with remarkable precision.

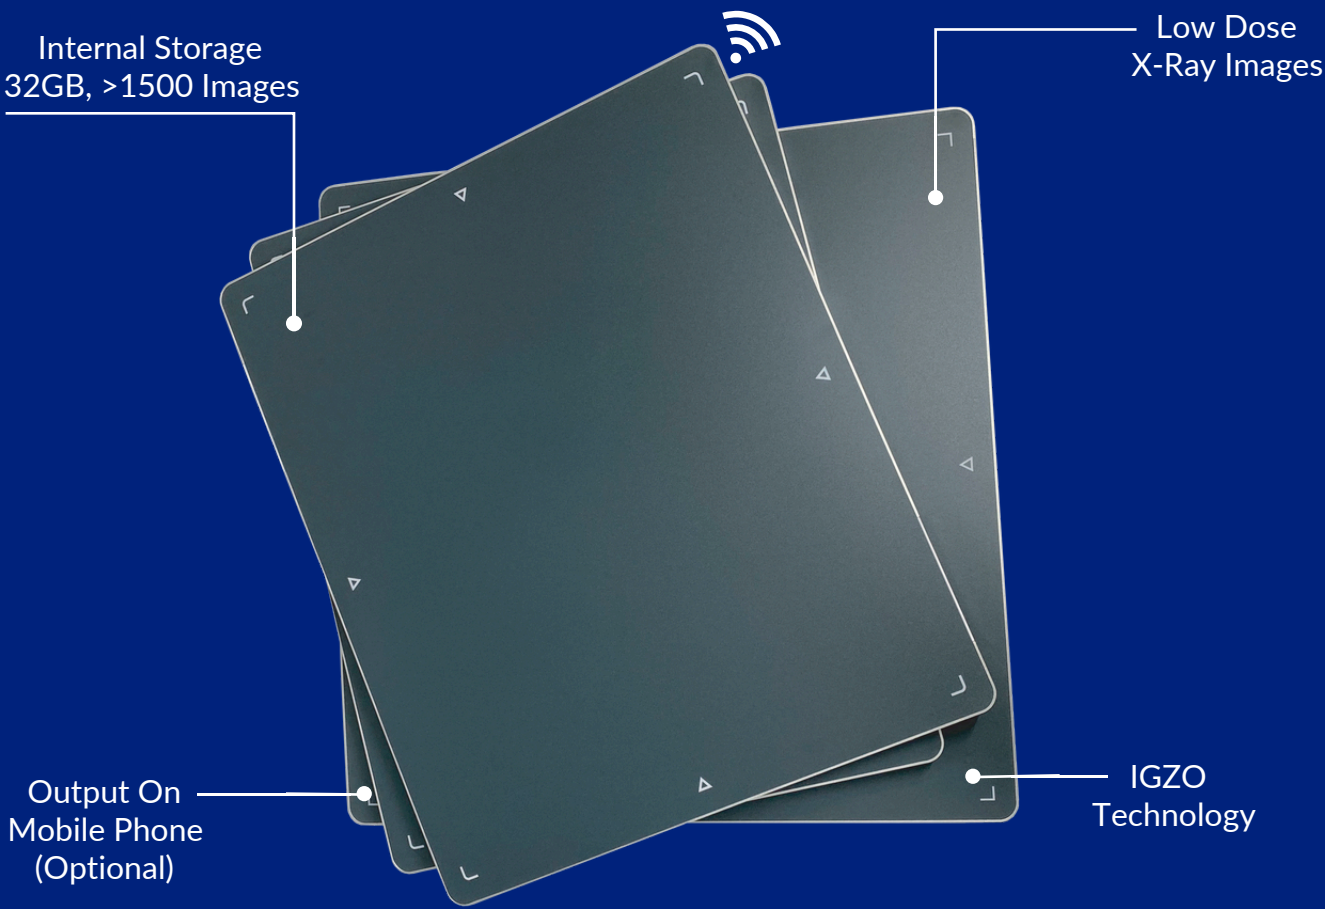

OUR PRODUCTS

ERAY IGZO DIGITAL RADIOGRAPHY

The ERAY IGZO DR is a premium wireless flat-panel detector renowned for its efficiency in medical imaging. It supports direct image output to mobile phones, boasts a generous internal storage of 32GB (>1500 images), and utilizes IGZO technology for low-dose X-ray imaging with high-quality results. Its stable AED system ensures reliable performance, while its compact design promotes efficient workflow.

OUR PRODUCTS

www.edusofthealth.com

TRIMAX DIGITAL RADIOGRAPHY

Optimize your imaging capabilities with TRIMAX DR, offering exceptional diagnostic quality, higher resolution, and affordability tailored for smaller medical facilities, veterinary clinics, and chiropractic practices, providing detailed and precise imaging with a cost-effective value proposition.

ERAY GOLD PREMIUM FLAT PANEL DETECTOR

The ERAY Gold Premium Flat Panel Detector is a user-oriented product designed to provide high-quality images, enhanced work efficiency, and convenience. It features a lightweight design, dual battery support for extended use, and an innovative Wi-Fi antenna for seamless connectivity. This detector prioritizes user experience, ensuring top-notch performance and ease of operation in medical imaging applications.

TRIMAX COMPUTED RADIOGRAPHY

Upgrade your radiography to a powerful digital imaging solution with the Trimax Computed Radiography (CR) System, offering significant advantages such as reduced consumables usage and shortened image production time, making it ideal for efficient inspection tasks.

TRIMAX LASER IMAGER (PRINTER)

TRIMAX Laser Imager is an ideal solution for many modalities like Magnetic Resonance Imaging (MRI), Computed Tomography (CT), Computed Radiography (CR), Digital Radiography (DR) and Mammography imaging applications.

OUR PRODUCTS

www.edusofthealth.com

TRIMAX DIGITAL X-RAY FILMS

TRIMAX Digital Film is used in Laser Imaging Systems and is infrared sensitive. They are intended for outdoor use. It is a high-resolution, photothermographic, gray-scale film that is ideal for continuous-tone medical imaging.

ERAY MEDICAL X-RAY FILMS

ERAY Medical X-Ray or Wet Film is designed for a variety of applications for the general radiographic examinations. E.RAY Medical film, in combination with calcium tungstate and UV/blue-light emitting rare earth intensifying screens.

ERAY INKJET X-RAY FILMS

ERAY Inkjet X-Ray Films deliver high-quality images comparable to laser or thermal films, but at a much more cost-effective price. Ideal for clinics and hospitals, they ensure sharp, reliable diagnostic imaging using standard inkjet printers.

LF MOBILE X-RAY : 100MA

Edusoft Healthcare's LF Mobile X-Ray Machine 100mA features advanced line-frequency technology for consistent and efficient imaging. Compact and reliable, it's perfect for hospitals and clinics requiring mobility and precision.

OUR PRODUCTS

www.edusofthealth.com

CASSETTE AND SCREENS

We offer a variety of screens and cassettes to meet the needs of various CR exams and clinical applications including long-length imaging, orthopedics, pediatrics, mammography and more.

DENTAL FILMS

E-Speed intraoral film provides brilliant image clarity with as little as one-half the exposure time required for traditional D-Speed intraoral films.

SONY ULTRASOUND THERMAL ROLL - TYPE I/TYPE 5

Explore our A6 width B&W High-Quality (Type I) and High Glossy (Type V) print media for exceptional imaging. Available in convenient multiples—Type I in sets of 10 (master carton: 100 rolls) and Type V in sets of 5 x 1 unit (master carton: 100 rolls)—these products cater to Ultrasound, Dental, and Microscopy applications, ensuring top-notch results in various medical settings.

AI OPTICS VISION SCREENER

AI-Optic the most accurate handheld autorefractor on the planet. Our AI eye screener costs 90% less than other handheld vision screeners. Detect early signs of refractive disorders such as myopia, retinopathy, hyperopia, and astigmatism. With just a push of a button. The future of optic image processing is here.
